Application of Child Support Guidelines. The statutory requirements of O.C.G.A. §19-6-15 have been applied in reaching the amount of child support provided under the final order in this action. The specifics are as follows:

1. **Gross Income** - The Mother's gross monthly income (before taxes) is \$ _____ ; the Father's gross monthly income is \$ _____ (before taxes).

2. **Number of Children** - The number of children for whom support is being provided under this order is _____ , to wit:

5. Split Parenting - A split parenting situation occurs when the parents have two or more children together, where at least one of the children spends more than 50% of the time with one parent, and at least one of the children spends more than 50% of the time with the other parent.

[You must check and complete only one of the following paragraphs]

- (a) **Not Split Parenting Case** - This case does not involve Split Parenting.
- (b) **Split Parenting Case** - This is a Split Parenting case. Separate Child Support Worksheets have been filed for the children living with the Mother and for the children living with the Father, and a Child Support Order Addendum has been entered in this action for each parent. At this time, the Mother is obligated to pay the sum of \$ _____ per month to the Father, and the Father is obligated to pay the sum of \$ _____ per month to the Mother.

*[To complete (b), you must check & complete **only one** of the following sub-paragraphs: (1), (2), or (3).]*

- (1) **Net Payment** - For so long as these amounts remain in effect, the () Mother **or** () Father shall pay only the difference between the two amounts (which is \$ _____) to the () Mother **or** () Father who shall not be required to pay the child support obligation to the other parent.
- (2) **Zero Payment** - The parents' child support obligations are equal. For so long as the amounts remain equal, neither parent shall pay any child support payment to the other parent.
- (3) **Full Payment From Each** - Each parent shall pay the full amount of his or her child support obligation to the other.

6. Deviation from Presumptive Amount

*[You must check & complete **only one** of the following paragraphs.]*

- () (a) **No Deviation** - It has been determined that none of the Deviations allowed under O.C.G.A §19-6-15 apply in this case, as shown by the attached *Schedule E*. The amount of support in Paragraph 4 above is the **Presumptive Amount of Child Support** shown on the attached *Child Support Worksheet*.

- () (b) **Deviation** - It has been determined that one or more of the Deviations allowed under O.C.G.A. §19-6-15 applies in this case, as shown by the attached *Schedule E*. The Presumptive Amount of Child Support that would have been required under O.C.G.A. §19-6-15 if the deviations had not been applied is \$_____ per month, as shown on the attached *Child Support Worksheet*. The attached *Schedule E* explains the reasons for the deviation, how the application of the guidelines would be unjust or inappropriate considering the relative ability of each parent to provide support, and how the best interest of the children who are subject to this child support determination is served by deviation from the presumptive amount of child support.

() (b) **Insurance Not Available** - Insurance (other than Medicaid) is not available at this time to either party at a reasonable cost.
